

COVID-19 UPDATE

As a result of the Prime Minister's address to the Nation this morning 18-3-20
ICA SPORTZWORX STEPNEY

Non-Essential indoor gatherings of more than 100 people are banned. Please be comforted in the fact that all of our activities - the nightly social games, training sessions, court hire, birthday parties, school holiday clinics and OSHC excursions are always well under 100 people.

We need to keep functioning, if activities are cancelled our staff have no work, we cannot purchase products from our suppliers, we cannot support our regular customers and external businesses who are in our arena in some form on a daily. This will have a negative flow on effect just because someone cancels their court hire, or doesn't turn up to their lesson.

Like all small businesses it is and will continue to be a struggle but there is no reason to boycott our arena and any of your other local businesses. Please know that just because our arena happens to be in a big shed doesn't mean we are a big business we are small one.

We are very stringent and diligent with our cleaning and hygiene always have been, but it has been ramped up even more for our community and staff's well being. *What can you do?*

- *pick up after yourself*
- *practice good hygiene*
- *wash your hands before and after your game, prior to making a purchase etc*
- *BYO hand sanitiser (sorry we can't find any)*

Social distancing is imperative by maintaining where possible at least 1.5 meters distance between people when you are standing, sitting, mingling. *What should you do?*

- *sit further apart when in the bar*
- *some of our older teams might need to yell a bit louder to each other but we can handle that!*
- *you can also purchase your drinks downstairs at the kiosk, no need to go the bar*
- *keep enjoying yourself*

Think about your interactions with other people while using our facilities. *What should you do?*

- *no high fives / no hugs / no bum taps / no shaking hands / no other weird and wonderful rituals*
- *that sucks cause it's Grand Final week from Monday 30th March!*

Come in and play your game and leave if that's what you want to do.

- *we won't be offended we respect everyone will deal with this their own way.*
- *we recommend to stay active and enjoy your sports, so just come in and play*
- *we don't ask for anything more – well maybe purchase a beer or a Gatorade or some chips just to help us a little and to help our suppliers*

Limit your interaction with staff when you are at the kiosk or bar. *What should you do?*

- *do not pay with cash, use your card or mobile*
- *even better pay online before you arrive and you don't even have to go to the kiosk*

Look after yourselves and respect others
Do the right thing and stay away if you are unwell
Protect our economy we need a functioning country
It's business as usual for us
Play sports just because we love it ❤️
